ROUTE

Rally headquarters in Jyväskylä will host all overnight halts. Total length of the route will be appr. 1450 km. All 32 special stages (= about 500 km) will be in central Finland. The stages characteristically take place over narrow gravel roads with flowing bends and jumps. Reconnaissance and pace notes are allowed.

Reconnaissance

Only standard production cars are allowed for reconnaissance. The underbody protection is not authorised.

COMPETITORS

In 1994 the Neste 1000 Lakes Rally had competitors from 15 countries. Almost 42 % of entries came from outside Finland. 20 competitors held FIA seeding and 20 different car makes were represented.

Non-scandinavian private competitors' special terms

Non-scandinavian private competitors (= car entered by driver or co-driver, neither of whom hold an FIA seeding) may apply for financial support from the organisers (concerning entry fee and ferry crossings Sweden/Finland). The application form is available from the organisers and must be returned by June 16th, at the latest.

Importing the vehicle and accessories

For the temporary importing of rally car and accessories it is advisable to use the ATA Carnet document. For further information, please, turn to your local Chamber of Commerce.

SPECTATORS

Rallying has a staunch support in Finland. In 1994 over 300,000 spectators turned up to watch the rally in the forests and almost 3 million people saw over 4 hours of domestic TV-coverage. Furthermore, the official TV figures by ISC (International Sportsworld Communicators) from year 1993 prove that almost 182 million viewers around the world watched the Neste 1000 Lakes Rally on their TV screens.

Admission is charged for entrance to the stages. For information about rally packages, please, turn to the organisers.
